PRESS RELATIONS DIRECTOR

Dear Mrs. Manley -

With today the first day of Spring, can the baseball season be far behind?

I assume, or at least hope, you saw the story in yesterday's Newark Evening News.

To make for some more material will you please confirm for me the reappointment of Dick Lundy as manager and send me the complete Eagles schedule, home & away.

As yet no word from Cook. I met Mrs. Jacobs who tells me that Mr. Manley has gone South.

Best wishes,

Jerry Kessler
